

Synthetic Insurance Benefit Plan Summary (Demo Use Only)

Plan Overview

This document is synthetic and provided for demonstration purposes only. It represents a typical commercial PPO-style health insurance plan.

Deductibles & Cost Sharing

• Annual deductible: \$2,000 (individual) • Coinsurance: 20% after deductible • Out-of-pocket maximum: \$6,500

Covered Services

• Preventive screening colonoscopy: Covered at 100% when billed as screening • Diagnostic colonoscopy: Subject to deductible and coinsurance • Imaging (CT/MRI): Covered with medical necessity documentation • Chemotherapy infusion: Covered with prior authorization

Exclusions & Limitations

• Duplicate or unbundled services are not reimbursed • Incompatible procedure combinations may be denied • Excessive units require clinical justification

Member Responsibilities

• Verify accuracy of bills and EOBs • Request itemization when charges are unclear • Appeal denied or questionable claims within 180 days
